Search Engine Marketing (SEM)

- Search engines run keyword auctions to sell available inventory of ad positions

1 Select Keyword

2 Submit Ads and bids (cost per click)

3 Ongoing optimization

Ad group	Default Max. CPC	Clicks	Imps	CTR	Avg. CPC	Cost	Avg. Pch

Keyword Creation

Generate list of relevant keywords and organize into campaigns

**Each campaign
consists of
keywords»**

Keywords Created
porsche new york city
fine auto dealer new york ny
sports car in new york city
certified pre-owned vehicle new york ny
buying a car in new york city
leasing car new york ny
auto insurance new york ny

Tools like Adwords keyword planner are useful

Design Ads

- Be as precise as possible about what the value to your customer and what differentiates you
- Have a clear call to action

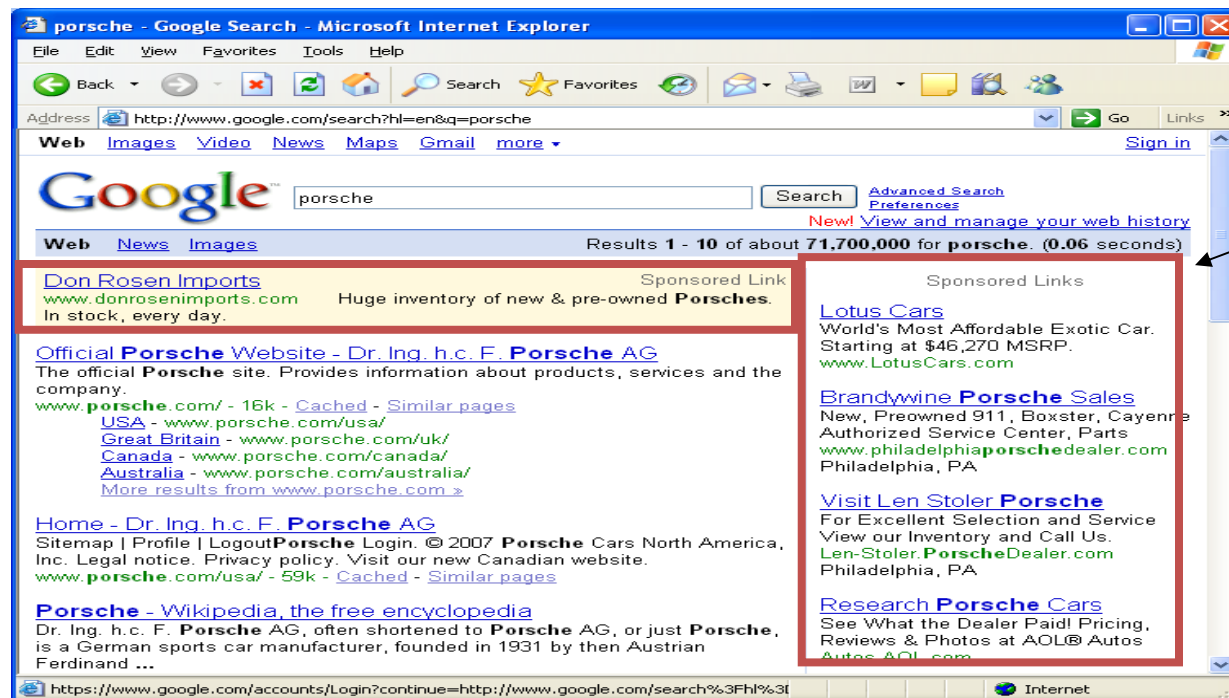

Bidding Strategies

Good bidding strategies are more aggressive for keywords with high value per click (vpc) but low cost per click (cpc)

Key Word	Sports car NYC	Lease car NYC	Auto insurance NYC	Porsche dealer NYC
Expected cost per click (cpc)	\$8.73	5.29	5.59	2.93
Expected revenue per click	\$15	\$6.50	\$3.50	\$15

Search Engine Placement

Once advertiser submits keywords, ads & bids, search engine displays them in search results

Search Engine Ranking Policies

- What determines an ad's rank and CPC (cost per click)?
 - Ad rank is based on $\text{Bid} * \text{QualityScore}$
 - QualityScore based on historical CTR, ad copy, landing page quality, etc
 - You may be ranked higher than someone despite having a lower bid (because your quality score is higher)

Third-party SEMs Offer Marketing Services

It is important to monitor SEM performance by focusing on the right metrics.

<i>Metrics:</i>	<u>Impressions</u>	<u>Clickthrough Rate</u>	<u>Conversion Rate</u>	<u>Value Per Conversion</u>	<u>Cost Per Click (CPC)</u>
	Quantity		Quality		Cost

Ad networks

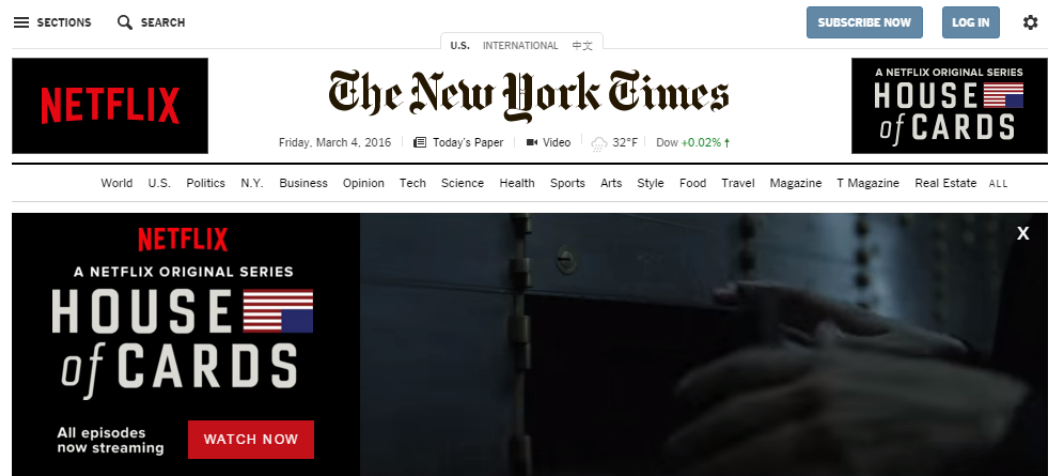

Ad networks connect advertisers to publishers hosting advertisements

Examples: Facebook, Google Adwords, InMobi (mobile)

Selecting the Right Ad Network

- Reach
- Type of ad inventory
- Audience Composition
- Targeting Capabilities

Social Ads

- Social ads allow rich targeting capabilities such as:
 - Interests: “Anime movies,” “dieting,” etc
 - Income
 - Behavioral profiles: “moms of preschool kids,” “corporate moms”
 - Name of employer, educational institution, etc
 - Job title

Running Successful Ad campaigns
